What job i'm looking for? My positive points

I'm looking for a plumber position because I was working for ER plumbing for almost 9years before... And I would be very glad if employer can at least give me this position. I used to work also after hours, and also a hard worker... My previous job was to install geysers, unblock drains and also leak detection. Here is my previous employer's contact: Mr. E Le Roux 0123770454... Thank you.
