

Tshenolo Modise

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My current goal is to start and develop my own business in this industry. After doing some research into your company, I realized that this could be the very good and right path as Tshenolo Modise to really follow and take the opportunity.

I have been looking into the programe, Im hoping and praying that I could meet the requirements to be part of it and make difference.

When I saw the post, I realized that it is the best choice for me for a number of reasons traineeships and case assignments I will take part in during this programe will help me to gain the necessary knowledge and skills.

Looking at my future, I understand that the only way to be successful in todays working industry world is to make it in an international context and local too. I will learn how to communicate with people from different backgrounds to achieve the best working results which I believe will be the next big step in my development.

Your programme will significantly improve my working skills.
