What job i'm looking for? My positive points

I'm looking for any job related to fire fighting because that is what I'm good at I guess, I'm friendly to anyone around me but obviously there will be some clashes here and there also I believe in team work "together we can do more" unity to me means everything and lastly my mom always says if you give more you gonna receive more and that is the reason why I wanna serve the people in need by being their super hero.
