What job i'm looking for? My positive points

I am a qualified pharmacist Assistant basic looking for any kind of job, and also a premises and tutors to finish my learner post basic pharmacist Assistant, I did my basic at Charlotte maxeke academic hospital, and now, the reason why I didn't finish my learner post basic is because I didn't have money to pursue my study, I am a kind and honest person, a team worker, good communication, working well under a lot of pressure and a time keeper.
