## What job i'm looking for? My positive points

I'm looking for a job where I can be active and busy. I don't really like sitting still all the time and doing nothing. I like working with my hands. I also would like to get a part-time weekend job because I am currently studying full-time.

My positive points are , I'm a very hard worker. I work well with others and I'm respectful and polite. I like being busy , so you won't catch me slacking until I've finished everything that needs to be done. I'm good with people and very attentive. I can work with electronics and I'm organized. You can trust that I'll always get the work done.
