## What job i'm looking for? My positive points

I am looking for a job in Electrical engineering because I love being an engineer it was my dream since I was a child. I even went to the college after I passed my matric and I have done Electrical engineering N courses, I have fully N2 with trade theory and I even have some skills and practical experience that I have done in Matjhabeng Municipality based on Electricity. I am a fast learner and curious person willing to learn, I can work under pressure and over times.
