What job i'm looking for? My positive points

I'm currently looking for any administrative jobs available. I'm a young, vibrant and hard working individual. I expect to graduate this year with a Bachelors degree in Human Resource Management at the Namibian University of Science and Technology. I currently reside in Namibia but was born in South Africa and I wish to return to South Africa and build a career. I have work experience in admin/switchboard as well as HR related functions as I have done two internships at two prestigious companies based in Namibia.
