Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job from retail because i once worked there and i do have experience and i'm a hard worker i do believe in me and also i like the challenge i also like to work as a team so that we can share the ideas and that can make the organisation grow fast and achieve their goals

I worked at Mr Price and my duties were as a cashier, doing fashion packs and promotions, cleaning and sorting the shop, watching the thieves and also making sure that the shop is clean each and everyday...i also worked at Shoprite Usave and my duties there were as a cashier, General worker, admin clerk, capture invoice, sorting the stock room, pulling out the stock in a truck and pack it, doing the nice Ends and also other duties given by the manager.

Sometimes we enter the night shifts and we didn't panic because i was loving my job and we make sure that we finish the job each and everyday so that show that i'm a hard worker.
