Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently looking for opportunities within the Human Resources and related fields. I work hard to achieve and exceed my goals and objectives, be it at school or on the sports field, making me a high performing achiever. I am a good team player, but can work exceptionally well on my own as well. I have internal drive and motivation to perform, accepting challenges with an open mind and keen learning spirit. I believe that one should work hard to reach your goals, not expecting results to fall into your lap. I am ideal for the HR field, as I am a structured, organised and results-driven individual, with strong leadership skills and a heart for people, which lies at the centre of human resources. With my skills, knowledge and experience, I regard myself as an asset to any organisation who gives me the opportunity to prove my worth.
