Curriculum Vitae (CV)

## What job i'm looking for? My positive points

To work in an environment that encourages me succeed and grow and to use my skills and knowledge appropriately.

One has to be punctual, presentable and have passion in what you set out to do. Always try to be a leader and not a boss.

One always has to remember, there is "NO I" in team. Everyone has to have a responsibility, when working as a team. It is said, "Team work is dream work."

I do hope my application will be taken into regard.

Thank you!
