Curriculum Vitae (CV)

## What job i'm looking for? My positive points

The only part time job I did was Stock-taking and that's the only experience I have, in that way I have no full experience but the one stated above and it will be an honor to learn from the bottom up. Because thays where we all start from and I cannot want a higher position with no quality expert, I am a hard working person with passion of learning anything given to me. Thank you for your time.
