Curriculum Vitae (CV)

What job i'm looking for? My positive points

Good day

The kind of job that I'm looking for is electrical engineering apprenticeship since I have my N4 certificate.

I am passionate have a good listening skill and hungry to learn more about electricity. I am team player. I am willing to apply what I've been doing theoretical in a practical way. I would be pleased if I could just get a chance to prove myself.

Kind regards

Themba
