Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for an engineering type job where I can develop my engineering skills further, I studied Electrical Engineering in TVET college and we learnt all there is to know about Electricity and Physics theoretically. My wish is to apply my skills at Hulamin and become an asset to the company. I am a hardworking and self motivated person, I always put my work first before anything else, I am dedicated at what I do. At my age ,23 years old, I strive to find success as there is still alot more I wish to achieve and in life. I also have good teamworking skills and I can work under pressure, I am flexile, I can adapt to any type of changes that occur in the workplace.
