What job i'm looking for? My positive points

Good day.

I'm applying for any kind of job, I am a true and free spirit, always positive, I am a clean and loving person and I also love working in a clean environment. I am a hard worker and also an understanding person. I am a fast learner and also a good learner. I love team work and always smiling, but also taking my job seriously. Reason why I'm job hunting, is that I have so much responsibilities, people I should look after including my two kids and my pension mom and two of my late sister's kids. My main positive points is that I'm looking forward for a beautiful stable future, and I've realized that without financial stable life won't be easy for me, I have a lot to achieve but with no salary is not an easy journey. And my wish is to study further with money in my pocket. I'm really looking forward for ur respond.

In academic I have Arbet level 4, level 2.3 and 4 in financial management and also office administration certificate
