What job i'm looking for? My positive points

Good day,

I recently completed my code 14 drivers test in March, did a pdp a few weeks ago... I previously had a code 10 but because of my passion for driving trucks I upgraded it for a code 14. I don't have previous truck driving experience but I think my ability to drive a vehicle with a trailer and reverse it at ease will come in handy and I am a young man willing to learn and follows instructions very well.. I think I can be an asset to your company because I able to adapt to changes and work well under pressure. Your consideration is of a great value to me and I hope to hear from you soon

Yours truly
