Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a flight attendance position. I am able to take care of the things that need to be done in my life, from the simple to the complex. There isn't anything I can't conquer. The next time I walk into that meeting I am going to square my shoulders, take a deep breath, put a smile on my face and talk with confidence. I am responsible for my own happiness.

I don't have to find my happiness from other people. If I want to be happier I can do exactly what I need to do to make that happen. In fact, no one else is in charge of making me happy.
