What job i'm looking for? My positive points

17/06/2022

Dear Sir /Madam

I have diploma in human resource management . I have wide range of experience in data capturing

My background in generating innovative ideas and strategies to improve processes has provided me with a deeper understanding of multifaceted problems that companies encounter in their daily operations. Moreover, because of my work experiences, I fully understand how important it is to have great team dynamics in today's multi-disciplinary business environment.

My experience as an data capturer professional has been extremely rewarding and productive. However, it is through strategy consulting that I can use my analytical aptitude and creative problem solving skills to their fullest.
