Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have always had a strong desire to help people, which is why I am doing bachelor of arts [health sciences and social services] in psychological counselling and I'm excited to get started in my new career. I'm really good at relating to people and making them feel comfortable. I think it's important to earn a patient's trust and that's something I feel I do well. The job I am looking for is being community health or public health working, therapist or nursing jobs.
