What job i'm looking for? My positive points

I am looking for a seamstress job because I have been doing it for 8 years making weddings dress , during the pandemic I have been making masks and some dresses for a few customers and making some school uniform for my local customers and even my children. I am a very hard worker I don't complain and I'm committed to my job. If you give this opportunity you won't regret it because of the experience that I have.
