Job Title: Maintenance Technician (Fitter)

To whom it may concern

I would like to express my interest in the Maintenance Technician position by submitting this letter with some highlights of my career. I'm confident that you'll find my experience and general knowledge in this field to be enlightening and may be even a little refreshing.

My background includes strong technical skills, Hydraulics and Pneumatic, faultfinding and longstanding leadership roles throughout my career, identifying and resolving mechanical issues to ensure full 24-hour plant performances. From inspecting boilers and cooling systems to building new plants(Ship loader, Stacker reclaimers, car dumpers, crushers and vibrating screens ect.) and guiding maintenance personal. I have proven success in overseeing general plant maintenance and I am committed to ensuring that facilities systems and equipment remain safe and in solid working conditions. This is a profession in which good people skills and the ability to get the job done correctly and in reasonable amount of time is crucial.

Considering the objectives of your company and the available position, I strongly believe that my professional background matches perfectly with your present requirements. I am a motivated person with the ability to work well under pressure and able to manage a varied workload. I can use my own initiative as well as being able to be a good team member.

Thank you for reading my application and please do not hesitate to contact me if you wish to discuss further.

I look forward to be hearing from you.

Sincerely yours,

Johan Lipshitz
