Curriculum Vitae (CV)

What job i'm looking for? My positive points

I wish to work as an electrical engineer,miner under Marula Platinum mine... Although the qualification I have is N1 electrical engineering hoping that once I start earning I will be able to pay for my fees and upgrade my level.

Currently I just got a learnership of Textile and fashion designing from Zijin Platinum mine,also did Occupational Health Safety and Environment, Competent B,A, and blasting assistant with Bana Ba Thari mine academy funded by HWSETA ...still waiting for results of all those qualifications.

My hobbies are Modeling, Sports actively since I almost played all the sports activities
I'm very polite and young woman,gifted with wisdom and stability full of morality and integrity

So working in cooperation with other colleagues won't be difficult for me
