What job i'm looking for? My positive points

Good day Sir/Madam

My name is Reunen Esterhuyse and I am 22 years old and busy with my Millwright training at NECSA. I've completed the Fitter part of the training and am currently busy with the Electrical side of the qualification. I will complete my training in August 2022 and look for an apprenticeship to allow me to continue my learning and work towards my Millwright trade test and red seal qualification.

I am a hard worker, enjoy learning new skills, and look forward to new challenges. A confident communicator and able to follow instructions clearly, and able to work on my own initiative. Enjoy working with others and in a team. I am self-motivated and enthusiastic.

During my training at NECSA, we work individually and in teams and I am comfortable in both situations.

Please find enclosed my CV for more details on myself and my qualifications. Should you have any questions please do not hesitate to contact me.

Thank you for taking the time to read my letter and CV.

Looking forward to hearing from you

Yours sincerely

Reunen Esterhuyse
