Curriculum Vitae (CV)

What job i'm looking for? My positive points

I hereby apply for the position. I think I'm the best candidate as I hold a grade 12 certificate, did some mechanical engineering up to N4, also hold a valid forklift license. I have a one year experience as a general worker in Sovereign Foods.

I'm a hardworking, reliable, trustworthy, also I adapt very quickly on a newer environment. In addition I also did a basic first Aid and I know how to use a fire extinguisher which makes me a safe operator.

It would be an honor hearing from you as I want to grow more in the business and add value.

Yours sincerely
