Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am primarily looking for a driving job as that is my strong point hence I have code 14 drivers licence with PDP, however I would not decline any other job offer as I am a dynamic person who is able to easily adjust to any work environment, I recently have been a field worker at Statistic South Africa and I found it excitingly challenging and I have professionally and personally gained a lot of experience in the program thus positive that I would tackle any challenge given a chance.
