Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for Occupational Health and Safety position, I really appreciate Junior Safety Officer position as I am fresh out of college and have little experience. I would love to start from the bottom and work my way up so I can learn as much as I can about the OHS career. I believe I can achieve that cause I work very well with people, I dedicate myself in all that I do, I work well under pressure and assist my colleagues wherever I can.
