Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently looking for any type job

One of the reasons why I think I should be hired I want to utilize my skills and grow my career path, also I have a theoretical knowledge but I can do hard work for my organization.

I am a very puntual person and sincere and can finish the work given to me on time and try to fulfill all the needs of the company that would hire me.

It would be a great privilege for me to be hired in any job because I want to showcase my skills, strengths and contribute to the people who would hire me.
