Curriculum Vitae (CV)

What job i'm looking for? My positive points

I need job that is related to profession. I am a final year student at University of the Free State (Qwaqwa campus), doing environmental geography. I wish to work with the community members, together with collaboration to their municipality to improve their living standards. In this regard, I wish to be an environmental practitioner as I will gain some sort of experience through working with community members. Any department of Environmental affairs, I welcome them to contact me if there is anything they can offer me.
