What job i'm looking for? My positive points

Dear hiring manager

Application for General Assistant/ Cleaners post

My previous job I was a general school Assistant, I had to maintain a safe, secure and clean environment and oversee learners out of the classroom and during lunch break, supervise group activities of learners and carry out administration tasks as required by the school.

Well I should say that my background in the construction sector proves that I meet the requirements for the job.

Preferred occupation **Generals**
