Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Any type of job that can be available at any eskom or transnet company.

I am a committed person I am good at working with team and I am a hard worker who like to finish the task before time and I can work extra miles if it is an emergency . I like learning new things every day if I don't know or understand how things work I ask . I've been looking for in-service training/internship in electrical engineering but nothing look promising , right now I'm doing nothing I'm sitting at home. I did electrical engineering at KSD MTHATHA tvet college I completed NQF level 4 which is NC(V) last year

Preferred occupation	Generals General jobs
