

Nhlanhla Sinethemba Nkosi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an organization where I can learn and grow my skills that I already have. Companies should hire me because I have what it takes to fill the requirements of the job which I strongly believe my skills are what every organization need. I am a dedicated person, good communication skills. work as team and as an individual, problem solving skills and time management.

I have Service technician certificate, Technical support, National certificate in systems development & AWS cloud practitioner (writing my exam end of October). I study part time (online). I have license.

I worked at above ground as a general worker installing WiFi networks in public hospitals and schools, I was a lab support staff at university of Johannesburg as an intern, I also worked at God is able Internet cafe as a shop assistant, I was a data capture at Isazi consulting for 3 months, admin at Itvarsity for 8 months (remotely), I was a junior web developer at EOH for 15 months.
