

Sipho Seekoei

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any mechanical engineering job

I am a fresh graduate in mechanical engineering(Diploma) and I have a volunteering work experience in servicing of cars, Manufacturing and Hydraulics. I would like to grow in the field of engineering because I am very passionate with this field. I believe that my motivation and commitment will ensure that I become a productive and valued member of your team. I have a strong work ethic and I am a fast learner and I have developed a mature and responsible approach to any task that I have undertaken in my previous work experience. I will make sure that I improve and grow in the role that will be given to me.
