What job i'm looking for? My positive points

Dear sir/ma'am

I'm writing to you regarding the general work job post that I saw on your website earlier this week. I have been working as a warehouse assistant at workforce staffing for a period of three(3) months. and also i worke at SDK COSMETIC for two (2) months as a stock taking . I got training for inbound and outbound call centre management at Benny recruitment in Johannesburg for six months. During that time , I have maintained 80% customers satisfaction rating. I'm applying to the job because I'm ready to take a next step in my career.

I can work as a Front Desk. I am very good in greeting and memorizing faces as well as personalized services. I can also take reservations over phone Email and in person. And I can also work diligently to avoid overbooking. I also have experience working in warehouse. Stock packaging, stock counter and scanning .

I'm looking to improve my skills in working environment. And to learn the inside and the outside of call centre management as well as Front Desk.

I fully believe that I can fulfill the requirements for job responsibilities that you listed on the post. I'm looking forward to discuss my qualifications with you. I can be reached on 078 302 7166 . my cv is attached for your review. thank you for your time and consideration .
