## What job i'm looking for? My positive points

I am looking for bartender job

- I have over 2 years experience working in the bar industry and am well versed in the different cocktail combinations that I would be required to make.
  - My people skills are second to none and I know that many times a customer is at my bar to talk as much to drink and I always have a willing ear.
  - Creating my own signature drinks is one of the aspects of the job that I love and I would be able to help come up with new signature drinks for any bar or restaurant that I was employed at.
- Working in a bar is more than just a one person job. It takes a team to make any bar successful and I would bring a joy for my job as well as a love for the customers
