Curriculum Vitae (CV)

What job i'm looking for? My positive points

Am a young lady looking for an administration post, well dedicated, enthusiastic and easily adapt on a new situation. I have done science stream in high school and Bachelor of Arts in tertiary (Recently graduated)

I have been in a ten months contract and it was good because i learnt new things that was thinking they are easy or cannot be done.

I will be glad if you give an opportunity to show my working skills that would make a company grow.

Thank you in advance.
