Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm an independent woman who believes in making impossible things to be possible, I'm very smart and polite person, I also believe in making/taking positive decisions in every negative situation that I face. My strength is that I'm a fast learner, I work perfectly good with groups and also as individual, my weaknesses is that I can't say no when a person ask me to do something for him/her, which is good because my supervisor or my mentor won't find it difficult to work with me.
