What job i'm looking for? My positive points

I'm looking for any job that can be available and meet my requirements because most jobs need experience of which is what I do not have. I have matric certificate and Business Management Level 4, I don't have any criminal record, I now work as the hair stylist and I haven't find any permanent job. I'm a hard worker, a fast learner when I'm being taught I can also work under pressure even long hours if the job requires me to.
