What job i'm looking for? My positive points

Hi I currently study for a Diploma in Human Resource Management. My Graduation is early next year. My career plans are to further my studies in Human Resources by applying for my Bachelors Degree next year. I am currently assisting in Human Resources department, in the Training and Development department. And I totally love it. My position is a Cargo Coordinator at Transnet Port Terminals. I love working with people and learn new things. Spread my wings, I've been in Transnet 9 years now. And I am ready for something new, I am willing to even relocate. I am born in the Westcoast. It's time for a new beginning. I am trust worthy, honest, reliable, a hard worker, disciplined, I always go the extra mile. I am easy to work with, I can easily follow instructions and be a team player. I am computer literate. I can do filling and admin duties. I don't mind assisting someone if I'm asked, I am flexible. I am always eager and ready to learn. If I don't know something I'll ask. I believe no one is too old to learn. If I don't ask I will never know, that's why I strongly believe ask and learn at the same time. I also believe if you do something, do it first time right, so that you don't have to do it again.
