

# Thembekile Mngomezulu

Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am Mngomezulu Thembekile. A 23 year old female , residing at Free State ,Qwaqwa. I am looking for an electrical job , be it a learnership, internship or apprenticeship. I am willing to take any electrical related job . I am also willing to relocate.

As a young electrician who has completed her S4, at Central University of Technology, I am eager to join your organization. With my exceptional educational track record and passion for engineering, I will be able to contribute significantly. I strongly believe that I would be of great assistance to your organization.

I am goal driven person with a strong worth ethic. An ambitious lady who loves challenges and willing to learn new things every day .I am a quick learner, good at following instructions, and always keen to gain knowledge and practice in the world of engineering. I am able and willing to work underpressure to deliver and achieve set goals.I have patience, a collaboration talent with communication skills to build and maintain good working relationships.

I have problem-solving abilities to tackle problems head on. Furthermore, the nature of my coursework has rendered me with excellent exposure to the practical field. Most of my credits in my course comprise practicals and projects in electrical engineering. I firmly believe that my technical expertise, coupled with a can-do attitude and willingness to learn, make me an ideal candidate. I believe that my skills can play a vital role in your organization.

Should you wish to interview me, I am available at your convenience. I hope that this letter will find a considerable attention that will result into positive response.

Yours sincerely

Mngomezulu T
