What job i'm looking for? My positive points

Dear Hiring Manager

I am looking for a possible learning opportunity (internship or any entry level job) at your organization. I am in progress towards obtaining my honours degree in Bachelor Of Earth Sciences in Mining and Environmental Geology at the University of Venda.

I am a fast learner and hard working young female who is passionate about the mining industry. I have previously worked as a vocational student at Geostrat Training CC where I received both theoretical and practical working sessions. I am looking forward to securing more workplace opportunities where I can utilize my skills and knowledge about the mining industry.

I have attached my resume with more details about my profile

Thank you for your time and consideration

Regards,
