Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am someone looking for a working environment that encourages me to succeed and grow professionally

and where I can utilize my skills and knowledge appropriately. I have studied National Diploma in IT specializing in business applications at Tshwane university of technology. I have worked at Dark Fibre Africa as a Database administrator where my daily task was to configure and maintain database servers and processes including monitoring system health and performance, to ensure a high level of performance, availability, and security. I also performed maintenance schedules and support deployment activities after hours. Microsoft Skill server, TreeSize, System Centre Service Manager, and Microsoft Visio are skills that I have managed to learn during my time working as Database Administrator. I am good at communication, teamwork, decision making and moral support.

With that being said i am looking for role of Database Administrator (Microsoft SQL Server).
