Curriculum Vitae (CV)

What job i'm looking for? My positive points

Well most people would actually lie on their cv in order to get the perfect job, but to be honest i don't have much work experience...

I have worked as a packer and cleaner at a fruit factory also as a cashier at spar, but my dream job is to be in a hair salon even if its just making washing hair or blowdrying i am a hard worker and open to learn new skills and experiences i also do peoples at home on weekends

I won't say i am a professional, but most definitely want to improve
