What job i'm looking for? My positive points

Dear sir/madam

I would like to apply for the position as a driver. I have worked from 2014 Feb to 2014 Dec driver & field worker @ ask Afrika and currently with Bolt from September 2019 to date . I would like to offer my service to your valued company. I am convinced that my excellent driving record is an advantage.

As noted noted on my resume , I hold a valid code 10 (c1) driver's license +pdp.some core reasons of my driving success are through knowledge of traffic safety rules , regulations and laws and a demonstrated ability to read map and follow directions to locations. My knowledge of the city street and roads will definitely be an asset to your company

I comprehend the need for excellent customer service provision in this field. Working behind the wheel can become quite tiresome for some people, for me, it is a driving force that keeps me going. My navigating skills are excellent, very proficient in using both maps and the GPS system work my way around unfamiliar areas. More to the point , I have the physical stamina to work long hours on the road.

Thank you for your time and consideration

Best Regards

Mpho J Koena
