Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a general work job I do not choose and I have experience on retail, warehouse and driving. I will take anything that company/employer is offering. I am a good listener, I like to work as a team but still winning when I am working alone and I like to make sure I am doing exactly what my leader asked me to do lastly I manage to work under pressure without forgetting following company procedure.
