Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have worked as an apprentice-welder in one of the Engineering companies by the name, ERD that is situated in Naledi Vaalpark; and the reason for leaving is because of retrenchment. So would like to be given opportunity to try something else as I am willing to learn new things, I can even work well under pressure and am also a great team player with a positive attitude no matter the circumstances and computer literate.

I hope to hear from you soon.
