Curriculum Vitae (CV)

What job i'm looking for? My positive points

I was a professional tattoo artist for 28 years until COVID started. Due to lockdowns and restrictions on personal services, I discovered that I'm quite good at legal transcription. I joined Verbit.ai as a reviewer, and am currently still working with them on Pro Legal. I am looking to branch out into interpretation and/or translation because my creative mind needs to learn new skills and ideas constantly to stave off boredom. I might also want to do subtitling or closed captioning at some point. I am interested in part-time or freelance positions only.
