Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a potential qualified Electrician who has been working as an electrician in many companies, I therefore would like to explore more in the field as an electrician. I do HT termination and Control panels for different operations. Leadership skills has always been my duty as a supervisor, I believe that if given a chance to prove my self, the company will realise that I am the relevant candidate for the position.
