Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would be a good candidate because I'm really interested in this field and I want to learn more about it. I am very hardworking, friendly, organised and I am a quick learner because of the saying in my language that says, "I shall not be defeated by something that does not talk". In my previous role I did gain experience that I feel like would allow me to fit in this role.
