What job i'm looking for? My positive points

My name is Rupert MA Nduku born in Kwazulu-Natal [S.A]. I am a responsible family man, my wife and 3 kids. I don't smoke nor taking alcohol or drugs. I am currently employed by the University of Kwazulu-Natal as a messenger and registry assistant. I don't have any bad record either on driving or any other job that I am doing for the university and I don't have any problem if anyone ask my HR about me. I have been driving for more than 12 years for the university without causing any accidents or traffic fines. I do my driving job with honesty and always try by all means to satisfy my employer. My belief is to be responsible in everything task I am given, work hard and be the good change I wish to see this country [South Africa] becomes in years to come. If your company gives me a change to work for it, I raise my both hands that I will work with honesty, seriously and try my best to satisfy the needs of the company. I am ready for any challenge, if it is going to make the company benefit in a good manner.
