I am a happy Wife and proud Mother of 2 beautiful children. I seek an opportunity where I can outlive the wealth of knowledge I've gained from all sorts. Yes, I've got a world of knowledge & skills in many departments .

What am I awesome at? I am loyal, honest, caring and hard working with wonderful skills in sales, marketing, customer care & services, management, normal office duties, very comfortable and quite good on computers, data capturing sheets, CRM, Google, Emails, Word & Excel, Slides, Websites and an extreme fast learner and typist. I'm excellent at identifying problem areas and finding a solution. My telephone and in person communication skills are excellent. I can even offer technical/support services by making use of a telephone or zoom, PC, internet and zoho assist, team viewer or any desk. I love to learn, love challenges, love people, a natural problem solver who can think out the box and have a natural passion for customer care/services.

We believe Family is important and need to help one another and look out for one another. Both my Mother, Step Dad and Mother-in-Law live with us and we are part of a strong and healthy Community in Blue Horizon Bay.
