Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am pleased to be applying for this available position, I had a great interest for your advertised position. As you will see from my attached CV, I have completed my N5 Mechanical Engineering in 2017, my aim was to complete my course and go further with my studies in the same field but then I couldn't because of financial problems.

Your company is one of the great leaders in the industry, I am interested to be employed by a company with such a great background like yours. I am keen to join your organization due to it's leading position in the industry, great organizational culture, spirit of innovation professionalism that characterizes your company and it's employees. I am attracted to this role on account of my relevant knowledge in this field that it offers.

I am certain that my presence in your company will prove to be beneficial to your organization. I would appreciate to be given a chance to speak with you to evaluate your needs and share my ideas.

I thank you for taking time to read my application and for your consideration. I would love to come in for an interview and I am looking forward to hear from you.

Yours sincerely

Themba Mqoboli.
